WHAT BECOMES OF THEM !- By private letters we learn that the "votes and proceedings" and other documents are regularly mailed to this office. Why is it we do not get them? They are burked somewhere; for we certainly only receive about one-half. The Mason College Bill was zen us, but has not yet arrived.

## Carpenters' Meeting.

At a meeting of the Carpenters and Joiners of Newmarket and vicinity, held in the Court House on Monday evening last the 23rd inst., for the purpose of forming a protection Society, the following resolution were adopted. 1st. That we do form a Carpenter's and Join-

2nd. That a Committee of five persons be appointed to draft a Constitution and By Laws for the government of the Society; said committee to report at the next meeting.

ers Society in this place.

3rd. That the following persons compose said committee: Messra Southard, Brodie, Stokes, Earl, and Bosanko.

The meeting then adjourned, to meet at the same place on Tuesday evening, the 21st o November next.

## The Clergy Reserves Bill!

The Bill for the secularization of the Reserves was introduced on Tuesday, the 17th inst. The following, is a brief synopsis of its whatever. The claim is altogether on the oth- bors.-Niagara Falls Gazette. provisions. After a long preamble, defining the present position of these lands-

created, one for Upper and one for Lower Canada. The moneys for the sale of lands in either section of the province are to be to return about three-fourths of all the Prokept separate, and to be hereafter know as the Municipalities Fund for Upper and Lower ary benefit of the provision, when secularized. consideration of this House the measures Canada. It also provides that the moneys Besides this class, there is another, whose relating to the Clergy Reserves, the Seig- nence to it, as it is not unlikely that similar acising from the sales of these lands shall be thrown into that Fund; the Receiver General been luxuriating upon property virtually stolen to act as Treasurer.

Section 2.—Annual stipends and allowances comfortable income of itself, until they are charged on the Reserves before the last Im- compelled to evacuate or disgorge the spoil .perial Act, to be still payable during the natural lives or incumbencies of the parties now bandit who has driven the settler from his receiving the same, and are to be paid out of home, and taken possession of his dwelling the Fund thus created by the sales, in preference to any other charges or expences whatever; but the Religious Bodies and Denominations now receiving annual stipends, are only to draw for a given time, yet to be named by the house.

Section 3 States that it is " desirable to remove all semblance of connection between Church and State, and to make an entire and final disposition of the Reserves, by a speedy distribution of their proceeds," It also provides that the Government, with the consent of parties, may commute such stipends, for the value thereof; such commutation to be paid now, for the papers say it is so. But the most out of the Municipalities Fund created by this Act.

Section 4 provides that so long as these stipends or allowances shall be chargable upon the Fund, that the Receiver General shall al- tail, they were bound to have a feed, cost what lighter General Ross, shaw, Solicitor Gene ways retain enough in his hands to pay them;

and the rest to be invested in public securities. ities Fund in either section of the Province this ere Canada now, it won't bo his fault; and proceedings of Legislative Assembly.

to pay to the Receiver General, he can deduct the amount. Section 6 Repeals parts of the Imperial leader; but then I can'least it Tory nether, for Act 3rd and 4lh Victi, cap. 78.

Section 7 - Any lands which may have been, under the butharity of the Acts here- it seems to me as if it with at sory nor redical, inhefore cited, or any of them necepted in exchange for lands originally forming part of the Clergy Reserves in any part of this Pro- of the party that opposed the man what the vince, shall be deeiged to be Clergy Reserves,

Hollbrooke procedure already indicated with regard to the party who was arrested on Sunday, on comthose measures, by giving priority to the plaint of two other young men, who by an ad verticement in the City papers, were induced to deposit as security various sums of money, from \$20 \$100, and then to go to different cities to sell worthless, antiquated novels at twice their ralue. All these young men, and it is thought Clergy Reserves and the Seigniorial Ten. dozens of others, have been served in a similar manner by Hollbrooke, who, when asked by them for the return of their money, told them to go off about their business. Any others that have thus been duped are requested to call at the Jefferson Market Police Court to-day. The accused is now in prison, and will have an examination shortly."

## LEGISLATIVE ASSEMBLY.

QUEBEC, Oct. 19, 1854. Last night the debate continued until a late hour, on the Bill to incorporate Masson College.

Mr. Dorin, Montreal, moved an amendment to the effect that the funds of the Corporation should only be appropriated for the purpose of education and the payment of expenses legitimately incurred in connection therewith. Mr. Hattman moved an amendment to the

effect that this Corporation should not be allowed to hold lands, except such as those necessary for the actual occupation of the College.

Last night it was ordered that the time for

receiving petitions should be extended to the 7th proximo, and for receiving private bills to the 20th proximo, and for reciving reports on private bill to the 6th December next. The following bills were read a second time:

Mr. Brown objected to several of the clauses,

Mr. Hincks spoke in teply, and stated that

The 2nd reading of the bill was carried and

"Solt" concecters of it will yote as they have to the statement made by Mr. Attorney general Drummond-he avowed he was willing to take the responsibility of the arowel, that the Government was on the basis of Secularizing the Clergy Reserves; also, that the Government had resolved to carry a measure to make the Legislative Council elective. The honorable and gallant knight spoke briefly, and desired either to endorse Mr. Macdonald's speech of the other evening or make another on the same subject himself.

attacked the Government, and Messis. Cayley, Robinson, Dr. Clarke, &c., defended its posi-

The following bills were introduce !:- Mr. Felton, to provide for Crown prosecutions and associate Coroners. Mr. McKerlie, to provide for the election of Mayors and Wardenes directly by the people. Mr. J. B. E. Dorion moved to refer a peti-

tion to a Committee, which prayed for the division of the Counties of Drumond and Arthabaska so as to give each a member.

The motion was discussed at some length, and as the report leaves, Mr. Attorney General McDonald moved for the 2nd reading of the Clergy Reserve bill.

QUEBEC, October 25.

Last night the Clergy Reserves Bill, on the motion for its second reading, was discussed till midnight. A good deal of acrimony was displayed, but there was nothing new in the

arguments used. Mr. Gamble moved an amendment to the effect that to secularize the Reserves would be a violation of public faith and acquired rights by the churches of England, Scotland and other denominations, and that the Bill ought be rejected. This motion only found 12 supporters, viz., Bowes, Crawford, Gamble, Larwill, Murney, O'Farrell, Powell, Rhodes, Robinson, Shaw, Stevenson, and Yielding.

Mr. Powell's amendment to rofer the question to the people, for a direct vote was declared to be out of order, the Rules of the House not providing for such a motion. The main motion for the second reading was

announce that the Prince with troops moved from their position before Sebastopol without opposition. On the road to Baltchiserai, whence he was to unite with reinforcements. A late dispatch from a Russian source and pub-

lished in the Cologue Gazette admits that a despatch had been received via, bloscow, stating that Russian forces after a sangnipary combat, was retiring upon Sebastopol.

The Russians numbered 60,000 and 100 gma. Reliable letters from Vienna, of the 2nd, state that the reserves of the allies were not brought into action, and the work was so well done that the Russums nevre had a chance. In the retreat of the Russians, which at length became percertible,

Menschikuff was chased by some Chaseurs, and only escaped by the fleetness of his horse. The Russian loss is variously estimated at from 6 o 10,000; a large number of Poles deserted to the

The French loss was 1400 men and 60 officers ; English, 1895 rank and file, 95 officers, and 114 Mr. Murney, Mr. McKerlie and Mr. Brown, sergeants, 23 drummers killed and wounded. St. Annuadu informed his men that he expected

to lead them as conquerors into Sebastopol on 3rd October, - the aniversary of the declaration of war. The Turks will nudeubtedly embark for the

The Colera was very severe in the Garrison of Sebastopol for three months, and the crews of the fleets are fed on three quarters rations. The Russian steamer Leman, three guns, escaped

out of Sebastopol and took three Turkish transports, and brought them into Odessa. The Austrian government is preparing a note to send to Russia-the sense of which is said to be that

if the Cabinet of St. Petersburg refuses to give the four guarantees, demanded, Austria will-consider The King of Naples has forbidden his subjects to nvest in the Russian loan.

THREE DAYS LATER NEWS.

BOMBARDMENT OF SEBASTOPOL. HALIFAX, Oct. 25th.

The Steamer Niagara from Liverpool 14th,

rrived at this port at an early hour, this morn-The steamer Cleopatra from Quebec, arrived out on the 12th, with the intelligence of the Arctic, the announcement of which created a

profound ensation. The besiegers had, up to the tatest dates, made no impression on Sebastopol, although they had

closely invested it on the South and East, and their guas were playing on the walls. Menschikoff held the field on the North, and

was in daily expectation of being joined by Osten Sacken and Gorschakoff, who were at It is confirmed that Menschikoff had subk ?

pol as a blockade to the harbour. Energetic notes from France and England have caused Prussia to express a willingness to act with Austria.
